

**Ever thought  
about becoming  
a Detective, but  
not sure where  
to start?**

Nottinghamshire Police are hosting a workshop to talk about the Police Constable Entry Programme (PCEP) – Detective pathway.

We have a strong commitment to equality and diversity both within the organisation and in the service we provide, and we aim to employ a representative workforce that reflects the diverse communities we serve.

NOTTINGHAMSHIRE  
**POLICE**  
PROUD TO SERVE

# Be the difference your community needs

We encourage people from under-represented groups, including Black, Asian and ethnic minority backgrounds who are looking for new and challenging career opportunities to join our free workshop and seek advice from passionate people working for Nottinghamshire Police.

Officers from Black, Asian, or other ethnic minority backgrounds will be there to talk about their experience of working for Nottinghamshire Police, as well as hosting an open and honest question and answer session. You will hear all about the Detective role to gain a real insight into the recruitment, interview, and vetting process. Staff members will also be present at the session to discuss non-detective staff roles within the police.

**Wednesday 8 January,  
17:00 – 19:00 at:  
The Vine Community Centre,  
Bobbers Mill Road, Nottingham,  
NG7 5GZ**
